Frenchtown Charter Township will be providing a tire recycling opportunity. Participants are allowed to bring up to 20 tires per vehicle, which will be recycled at no charge. All tires are preferred clean and off the rim. Only passenger vehicle or light truck tires will be accepted. This program is for Monroe County residents only. Tires from commercial sources will not be accepted. Residents who have large tires to recycle can call the Environmental Health Office at (734) 240-7900 for recycling.

“The tire recycling program is a great resource for our community. By providing residents a free and easy way to properly dispose of old tires, the program helps address illegal dumping in our county drains and ditches which can create mosquito breeding zones, a serious public health concern.”

This program is funded by a grant from the Scrap Tire Cleanup Project through the Michigan Department of Environmental Quality and the County of Monroe.
