

Application for Property Tax Relief During Active Military Service as Permitted Under the Federal Soldiers and Sailors Relief Act

(For Additional Reporting)

INSTRUCTIONS: Complete this form if you wish to apply for property tax relief while you are on active military service. Mail the completed form to the local city/township/village treasurer for the lands for which you are seeking relief. You can file this form before or during your period of service.

Under the Soldiers and Sailors Relief Act, property owned by a serviceperson cannot be sold to pay delinquent property taxes during the servicepersons' tour of active duty. If your taxes are delinquent during your tour of duty, you will be charged interest at 6 percent per year, rather than at the higher rates provided by law.

Exception: A court may permit your local tax collector to sell your property if the court determines that your ability to pay the taxes is not affected by your military service. If your property is sold to pay delinquent property taxes, you have the right to redeem your property within six months at the end of your active military service.

You can, at any time, pay your taxes on time without incurring any interest for late payment.
