Main Cross Streets: _____ & _____

Applicant's Name: _____ Phone: _____

Applicant's Address: _____ State: _____ Zip: _____

The Tap Fee of **\$1500.00** includes parts, labor, 5/8" water meter for a **1" tap** and water line installed from the main to the property line. Every effort will be made to schedule the installation within **5 WEEKS** of notification from the **Homeowner** that the water lead has been installed to the road and ready for connection. It is the **Homeowner's responsibility** to contact the Water Dept. when the lead is ready for connection! : (734)-289-1015.

There are exceptions to the Tap Fee for extenuating circumstances. If additional costs are due, the work will not be performed unless the Homeowner, or other responsible party signs a Work Order authorizing the additional expense, **and payment has been received.** Such exceptions include but are not limited to:

- If rock is encountered during excavation, work will be discontinued until the Owner is notified of the additional expense and signs an agreement for the additional costs.
- * If de-watering is required, there will be an additional charge based on the time and equipment needed to finish the installation.
- If a road cut is necessary, **an additional charge of up to \$5000.00** will be required to be held in escrow for K-Kree and asphalt to repair the street.
- * Winter water taps may include a frost charge: Charges to be determined by contractor

NOTE: The Township will **not** be responsible for damage of any unmarked private installations (sump pump lines, irrigation lines, eave-troughs, electric lines, etc.). **Before you dig, CALL MISS DIG 1-800-482-7171.**

I acknowledge that I have read and agree to the above conditions:
