**OWNER OR LEGAL-REPRESENTATIVE**

**REQUEST FOR TEMPORARY WATER SERVICE**

---

OWNER OR LEGAL REPRESENTATIVE (Per attached documentation)

I would like to request that water service be available for a 48-hour period for the purpose of a home inspection at: \_\_\_\_\_

I understand that the **2-hour appointment block** will not be scheduled until the \$50.00 "turn-on fee" is paid in guaranteed (cash or official check) funds.

*If the appointment is not kept by the scheduler and not cancelled at least one-hour prior another appointment and fee will be required. If the Township must cancel the appointment because of a water emergency, notice will be made as soon as possible and the appointment will be re-scheduled at no additional charge.*

I understand that the 48-hour period will begin from the time the water is made available.

I understand that any water usage during that period will be added to the existing account and that a new account will not be established since the water usage liability stays with the property.

I HAVE READ AND UNDERSTAND ALL OF THE ABOVE:
