---

---

---

GENERAL: Plumbing work shall not be started until the application for permit has been issued. All installations shall be in conformance with the Current Plumbing Code. **No work shall be concealed until it has been inspected.**  
When ready for an Inspection, call the Building Department providing as much advance notice as possible. The inspector will need the **job location** and **permit number**.

“Section 23a of the State Construction Codes Act of 1972, Act no. 230 of public Act 1972, being Section 125.1523a of the Michigan Compiled Laws, prohibits a person from conspiring to circumvent the licensing requirements of this State relating to persons who perform work on residential buildings or a residential structure. Violators of Section 23a are subjected to civil fines.”

EXPIRATION OF PERMIT: A permit remains valid as long as work is progressing and inspections are requested and conducted. A permit shall become invalid if the authorized work is not commenced within six months after issuance of the permit or if the authorized work is suspended or abandoned for a period of six months after the time of commencing the work. A permit will be cancelled when no inspections are requested and conducted within six months of the date of issuance or the date of a previous inspection. Cancelled permits cannot be refunded or reinstated.

- ✓ **24 HOUR NOTICE REQUIRED FOR INSPECTIONS.**
- ✓ **A permit must be taken out before work is started and this office must be notified when work is completed.**
- ✓ **Any changes in plans or specifications Must be approved by plumbing inspector.**
