See Article 25.00 Sign Regulations, Frenchtown Charter Township Zoning Code No. 200

Section 25.02.34 Sign Area.

The allowable area for signs shall be measured by calculating the square footage of the sign face and any frame of other material or color forming an integral part of the display, or used to differentiate it from the background against which it is placed as measured by enclosing the most protruding points or edges of a sign within a parallelogram or rectangle. Back-to-back sign faces shall be counted as one sign face for the purposes of measurement.

Computation of Sign Area
